Lemuel C. Stewart, Jr.
CIO of the Commonwealth
Virginia Information Technologies Agency

Dear Mr. Stewart:

I hereby certify that my agency has an existing partnership (for 10+ years) known as the Disability Services Agencies (DSA) with the Department of Rehabilitative Services (DRS) serving as lead for IT Strategic Planning and similar project management activities. I hereby delegate my plan certification authority within the Commonwealth agency IT strategic planning system (ProSight) to DRS. If this designation is not agreeable to you, please advise. I further understand that should the partnership status change, I will immediately contact my agency's designated VITA Customer Account Manager to initiate an appropriate agency IT strategic planning update.

This correspondence supersedes any previous correspondence forwarded to your agency. Thank you for your cooperation.

Sincerely,

A handwritten signature in blue ink that reads "Ronald L. Lanier".
